

VIDEO SCORING

with GarageBand

NAME: _____

TIMING [20].

The videos you will use for this project are 30 seconds in length. I want you to create music and/or other audio elements (SFX, drones, spoken word, etc.) for the entire 30 seconds, give-or-take 5 secs.

1. _____
2. _____
3. _____

TEXTURE/DEPTH OF PRODUCTION [20].

Use at least 4 MIDI tracks and 2 audio tracks. More is even better!

1. _____
2. _____
3. _____

CREATIVITY/APPROPRIATENESS [20].

How well does your scoring suit the video? How interesting is your scoring? When we watch it, does it make us laugh, say "wow!", or just yawn?

1. _____
2. _____
3. _____
